

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

IN RE: TESTOSTERONE) Case No. 14 C 1748
REPLACEMENT THERAPY) MDL No. 2545
PRODUCTS LIABILITY LITIGATION)

This document relates to: **ALL ACTIONS.**

PLAINTIFFS' UNOPPOSED MOTION TO EXCEED PAGE LIMIT

NOW COMES Plaintiffs in the above-captioned litigation requesting entry of an order permitting them to exceed the page limit for their supplemental brief. In support thereof,

Plaintiffs state as follows:

1. Local Rule 7.1 imposes a 15-page limit on briefs in support of or in opposition to any motion.
2. Plaintiffs are requesting the defendants make their production of electronically stored information ("ESI") in native format. In light of the numerous arguments to be made with respect to this issue, Plaintiffs need more than fifteen pages to address all the issues. The additional pages will facilitate a complete and comprehensive review of the disputed issues.
3. During the initial status conference in this case, the Court recognized that an enlargement of the page limitations set forth in the Local Rules would be necessary, given the scope of the motions to dismiss.
4. Plaintiffs propose a 22 page total for their brief.
5. Plaintiffs consulted counsel for Defendants on September 19, 2014 and they indicated they did not oppose this motion.

WHEREFORE, for the foregoing reasons, Plaintiffs respectfully request this Court enter an Order granting Plaintiffs leave to file their brief that shall not exceed 22 pages.

Dated: September 19, 2014

Respectfully Submitted,

By:
